HGAC Mission Statement

The mission of the Hiram G. Andrews Center is to offer quality individualized post-secondary education, which provides career opportunities and independent life skills. The Hiram G. Andrews Center provides a comprehensive program of services featuring the integration of education on campus at the Commonwealth Technical Institute (CTI), counseling, evaluation, and physical restoration in a barrier-free environment. A continuum of support services ranging from vocational evaluation and career exploration to independent living skills combines to offer students the skills they will need to live, work and contribute in the community.
